Re: United States v. Earl Charley, Jr.  
Cr. No. 03-10387-DPW

Dear Leo:

As the government's automatic discovery, I enclose the attached documents and copies of the audio tapes (4) of the interviews with Earl Charley, Anthony Charley, Andrea Walker and Ciceley Langford.

To the best of my knowledge, no promise, reward or inducement has been given to any witness whom the government anticipates calling in its case-in-chief. Also to the best of my knowledge, the defendant was not a subject of any investigative identification procedure used with a witness whom the government anticipates calling in its case-in-chief involving a line-up, show-up, photo spread or other display of an image of the defendant.

Please telephone me to make arrangements to see the physical evidence in this case (the firearms, ammunition and drugs).

Sincerely,

MICHAEL J. SULLIVAN  
United States Attorney
